

# **KOREA ADVANCED INSTITUTE OF SCIENCE AND TECHNOLOGY (KAIST), Seoul, Korea**

## **Faculty Positions in Environmental Management, Energy Economics, or Sustainable Finance**

KAIST College of Business (KCB) invites applications for tenure-track faculty positions. The positions are open to candidates in all areas of environmental management, energy economics, or sustainable finance at any rank. The position entails teaching 1 or 2 sections (3 credit hours) per semester and involvement in curriculum developments. Courses are taught either in English or in Korean. We welcome candidates of any ethnic origin and nationality.

### **JOB QUALIFICATIONS:**

Required qualifications include a Ph.D. in accounting, economics, finance, marketing, organization & Strategy, IT management, and OS/MS. Preferred candidates should have interests in environmental management, energy economics, or sustainable finance preferably with a teaching level knowledge in energy- and climate-related business and policy issues. Candidates with interests on CSR and ESG will also be considered. A proven record or demonstrated high potential in quality research and publications and ability to teach effectively at the Masters and Ph.D. levels is preferred.

### **SCHOOL ENVIRONMENT:**

KAIST is one of the leading universities in Asia-Pacific regions known for its academic excellence: high quality research and innovative educational programs. KAIST College of Business (KCB), located in the northeastern part of Seoul, has been acknowledged as the 1st and the largest business school in Korea with strong faculty research support and facility along with low teaching load. KCB is accredited by AACSB, GMAC, and EQUIS, and is an only PIM member school in Korea. KCB was ranked 'Top 100 Global MBAs' by FT in 2011, and has been ranked as Asia's No.1 Executive Education Programs since 2012. Graduate School of Green Growth (GSGG), established in 2013 within KCB, nurtures professionals in green growth to cope with and adapt to climate change. GSGG provides world-class education and research on green business, sustainable finance, and policy. GSGG was ranked 4th in 'Better World MBA' by Corporate Knights in 2015.

### **APPLICATION PROCEDURE:**

Interested applicants should send curriculum vitae, selected papers, and three letters of recommendation. Applications will be accepted until the positions are filled
