

## **2009 Immersion Program Info-session**

2009 Immersion Program Info-session will be held on **Wednesday, March 11, 2009**.

We'll have a brief introductory session about the new immersion program & schedule, and followed by administrative details including U.S. Visa application process. Jennifer Lang, The Director of Operations at UW, will provide useful information about the program. And in later session, Betty Chung (Clinical Professor at KAIST) will provide a brief introduction to SF Program. This session will be a good opportunity to overview those two programs.
